Scope and content

In 1896 the Jesuits established Loyola College as the English-language branch of the classical college Collège Ste-Marie, founded in 1848. In 1974, Loyola College merged with Sir George Williams University to create Concordia University. The photographs in the collection document life at Loyola from 1908 onward. Subjects include classes, the Jesuit community, buildings (including aerial shots of the campus), sports teams, and special events. The other items in the collection relate to liturgical activities at the Loyola College chapel and include missals, lectionaries, printed prayers, patens, vestments, an altar stone, and other items.

Notes

Title notes

Immediate source of acquisition

The photographs were given to the Concordia University Archives by the Jesuit Archives of Upper Canada. The other items were left by the Jesuits in the sacristy of Loyola College and given to the Concordia University Archives in 1995.
