## Administrative history / Biographical sketch

### Note

Senate is the senior academic body of Concordia University. It derives its authority from the Board of Governors. It establishes procedures for the governance of its own affairs, and is the final authority in all matters pertaining to the academic programmes of the University. Its first constitution was approved by the Board of Governors on September 6, 1973, and it sat for the first time on the following October 1st. On that date, Senate adopted the minutes of the last meetings of the Sir George Williams University Council and of the Loyola College Senate. Amendments to the Senate constitution were adopted through the years mainly to keep it up-to-date with administrative reorganization in the University. The Faculty Councils and the Council of the School of Graduate Studies, with their own special powers, report to Senate.

---

## Scope and content

---

The fonds documents Concordia University's decisions on the main academic matters. It mainly consists of meeting minutes (open and closed) and supporting documents of the Senate and its associated committees.
