Dear Harry,
Words seem inadequate,
at least for me to express my
pleasure on hearing that
my former teacher, councillor,
but above all one of my
oldest friends had been
asked to accept the principalship
of St. George Williams College.

2.
Your acceptance I am sure
has taken quite a load
off the shoulders of all concerned.
The Board of Governors to a
man were most pleased by
your decision and I might
add are behind you
100 per cent.

Leon joins me in
wishing ^{you} the very best in
health, happiness and

your work of the future,
Sincerely,
Gordon

Mr. Gordon C. Donaldson,
5381 West Broadway,
Montreal 28, Quebec.

Dear Gordon:

Your most kind and prompt letter of March 20 is very much appreciated I assure you. You are of course one of my oldest friends in Montreal and especially at Sir George Williams College. It is a great pleasure for me to have you as a member of the Board of Governors at the time of my appointment. I shall need the support and understanding of my friends during the critical days ahead when I am sure many of my decisions will be under criticism and when I shall have less immediate control but will have to depend more on other people to do the actual work at the College. At any rate I am sure that there are some who, like yourself, will try to carry forward the spirit developed in the old days of struggle into the larger job ahead,

Again with many thanks and best wishes to you
and yours,

Yours sincerely,

Dean.
